

Just for openers

968 Greenwood Ct. Sanibel, FL 33957

Welcome to the 21st issue of Just For Openers. In the Oct. '83 issue, you were advised that due to other commitments, Don Bull was relinquishing his Editor/Publisher position of this quarterly. I "volunteered" to carry it on, and with his permission, to use his copyrighted title of it. Thanks to all for your renewals and special thanks to the many of you who also sent best wishes, encouragements and suggestions for its' continued success. For it to succeed, input from you readers is a must. Write to me about how you got into collecting our specialty and about your collection with a photo of it. After all, every collection is special in the eyes of the beholder and should be shared with all of us. Write about your specialty. Send Breweriana opener ads, clippings and news of your opener collectors club doings. To get you going to getting around to it, here is one for you as a reminder.

We all wish to know of your wants, trade lists and sell offers. To this end, the next issue will have "FREE" ads from you. Please limit them to 20 words. Those who paid in advance for that issue will get a refund.

This issue has the Directory of Opener Collectors for 1984. Each would like to hear from the other. Visit with them when you are in their area.

The 1984 up-date of 564 additions to the catalog of openers is also in this issue. Continue to send them to me and remember---Don Bull will appreciate sending your new discoveries to him for photographing and to be published in the July issue.

I have compiled an alphabetical index of all the listings reported thru this issue. A sample sheet is included in this issue. Please review it and note that the types and #s are the same although some #s were eliminated because of duplication or were not breweriana related. Also, some rewording was done to conform with the original intent of "Beer Advertising Openers" copyrighted by Don Bull. Please take a moment to express your ideas as to your interest in it, what format you would like to see it in, what you would be willing to pay for it, etc. This will guide me in my decision to publish it.

On Dec. 12th, your editor added #2,400 to his collection. It was an A-9-4 Leisy.

The St. Louis Arch Opener Collector Club welcomes Ed Kaye to his newest endeavor in behalf of collectors everywhere. We offer you our deepest condolences and sympathy! This is our first news update from the St. Louis group. We held a trade session at Vic Keown's home on Aug. 24. We met at Art Santen's to write this, embeide, trade & B.S. Overtime Ollie (Hibbeler) had to work in his chop shop & was absent. Vic Keown will have a new display at the convention. John Goff says to get your BRASS to Denver. Bob Chapman

says "make me an offer that I can't refuse". On Nov. 12, to celebrate his big 50 birthday, Art Santen entered his #11,000 opener to his collection, a new discovery K type Falstaff. All of us will be in Denver. See you there. (Editor's note: See the convention up-date elsewhere in this issue).

Remember the DEADLINE for ads, news, comments about this issue and whatever is Feb. 29, '84. Please cooperate. It will be appreciated.

Good Hunting!

Ed Kaye

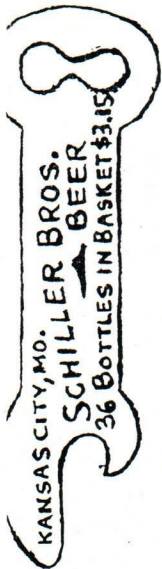

6th Annual JFO CONVENTION UPDATE

The response we've had for this year's convention has been much better than we ever expected. Already fifteen people have confirmed that they will be at the convention, and many others, who are undecided, have sent for more information. We wanted to get the flyers out early so that everyone would have time to save their money and make plans for the trip to our fine city. We never thought we would get this many inquiries so soon, and we would like to thank everyone who has replied for their enthusiasm.

At this year's convention we plan to give the traditional awards that have been presented at past conventions. One of these is the Phil Fouch Award. This award is donated each year by Joe Balaban in memory of our beloved friend and member, Phil Fouch, who passed away two years ago. The award is given in recognition of achievement in opener collecting. Past winners of this award are Don Bull and Ed Kaye.

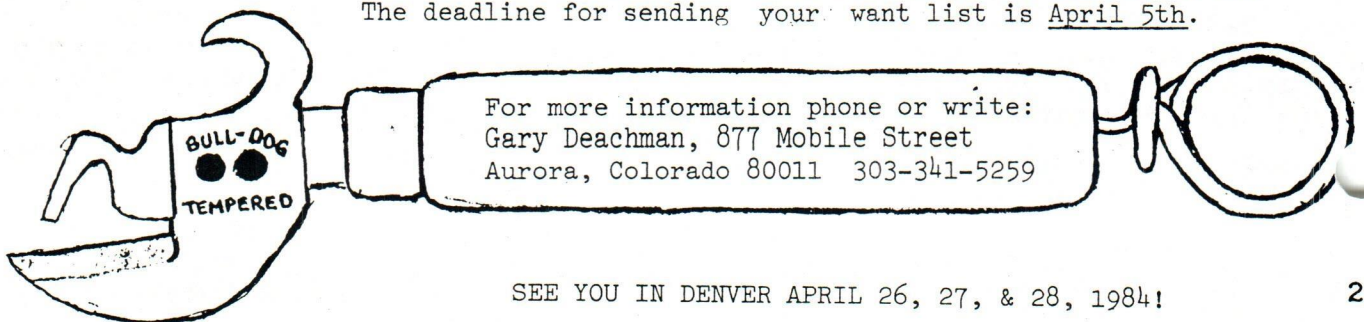

The other traditional award is for the best display. Displays can be made of any type or kind of opener or corkscrew. These include beer advertising openers and corkscrews, soda advertising openers, non-advertising openers and corkscrews, can openers, etc. It doesn't matter how large your display is. People enjoy seeing what other people collect, and the ideas they have for displaying their openers. We feel that displays add greatly to the convention, and especially encourage the growth of the hobby by educating the public and new collectors about opener and corkscrew collecting. To encourage everyone to bring a display we are planning to give 1st, 2nd, and 3rd place awards for the best displays. Past winners of this award have been Gary Deachman, who has won it twice, and last year's winner, Bob Chapman.

With the way our economy has been we recognize that some of you might be finding it difficult to make ends meet to attend this year's convention. A solution to your problem might be to car pool with another member. If you are interested in car pooling please let us know as soon as possible, and we will try to put you in touch with another member who also wants to share the expense of the trip. This makes it cheaper for both parties, makes it a shorter drive, and also might allow you to do a little pre-convention trading.

Lastly, we know many of you specialize in certain types of openers or even collect other forms of breweriana such as coasters, trays, etc. To insure that everyone is aware of what you collect and what you want them to bring to the convention, about two weeks before the convention begins we plan to send everyone who has registered a sheet listing everyone's wants. In this way we feel that the convention will be more successful and no one will leave at home something that someone else might be interested in.

The deadline for sending your want list is April 5th.

SEE YOU IN DENVER APRIL 26, 27, & 28, 1984!
