

# Just for openers

968 Greenwood Ct. Sanibel Island, FL 33957 (813) 472-0004

1985 marks the 7th year that JFO will continue to be the only source for us opener collectors. Thanks very much for your support in making it possible - it is really appreciated. Continue sending any & all info on your collections, pictures of them, news items on openers, pros & cons about the newsletter, & whatever you think may be of interest to your co-collectors.

The Directory of current subscribers that want to trade, sell, buy, correspond & visit with is in this issue. As is the up-date of new additions reported since Jan.'84 - a total of 422. If I missed any that you sent, let me know. (2 listings of type A-2 were sent but they were not brewery or beer NAMED. Read the last page of the additions for correct reporting).

This year also marks the 50th anniversary of beer in cans. This added a new segment for us opener collectors. For those who are not aware of this, permission was granted from the AMERICAN BREWERIANA ASSOCIATION to reprint the enclosed insert. Hopefully it will add to your pleasure & knowledge. It is not 3 hole punched to keep it intact for you to display near your collections of openers.

Regarding the 3 hole punched single sheet format of our Newsletter - many comments were received & all were in favor of it, so it will be continued as such.

The November meeting was held at LOU KOVARIK'S home with 100% attendance (6 members). Beer, pretzles, crackers and cheese were the dues payment. Sleep weary CHAPMAN enjoyed the beer & slot machines and "konked out" amidst the noise. ART SANTEN made a trade with OLLIE HIBBELER.

I am trying to keep the costs down for JFO, so when you write for an answer to your letter, please enclose postage. (22 cents in 1985?).

TOM CORIELL reports that he has an I-11-215 Schlitz that has the I-12-212 Ruppert over stamped on the "Old Milwaukee" side of it. CARL REESE now has around 400 openers in his collection. ART SANTEN has added #12,000 to his general opener collection. I think he should be in the Guinness World Book of Records. Don't you? HARRIET WALDO appreciates the help us "old timers" are giving her in collecting. (The objective of JFO is to help each other). NATALIE BLAKEMAN has at least 1,500 openers that fill the walls of a small room. LARRY SHERK writes that since he published his 28 page catalog of Canadian beer ad openers (see Oct.'84 issue of JFO), he has added near 100 more. DAVID BUNK receives a free subscription for '85 as his renewal card was selected from the 114 received by 12/02/84.

67 questionnaires for the 1986 Opener Convention were received as of this printing. If you haven't done so, mail yours to me today.

Because of the numerous requests for a JFO patch, one was designed & is in production. More about it in the April issue.

For those of you who have the Handbook, please correct the H-6-3 (page 106) Falstaff to H-6-8.

Please notice that the odd numbered pages have the Month & Year. This is to facilitate your filing when you separate the pages for one reason or another.

Again, I must remind you that all auction or trade lists MUST have the key word following the type & number. For example: B-18-24 Tacoma not just B-18-24. The Handbook was compiled to save our valuable time from searching to find what it is.

It is appropriate at this time to have a standardized grading system for openers & c/s. I am proposing the following:

Mint (M) = New as issued.

Excellent (EX) = Minimal sign of use.

Fine (FI) = Minor wear.

Very Good (VG) = Details sharp, some discolor, some wear.

Good (G) = Wear, light rust.

Fair (F) = Signs of rust, plating gone, worn.

Poor (P) = Pitted, well worn, lettering faded.

Shall we adopt this criteria? Your comments will be appreciated.

!!!BUYER BEWARE!!!

The white lettering was dubbed in to show up the wording.

This is NOT a genuine beer advertising opener. There never was a Dixie Beer Co. (That is, a brewing company that put out one of these). It is a current production item for the flea markets and have been showing up all over the country. Don't pay more than a dollar for it and then only if you want it as a conversation piece.
